BLOOD DONOR CLINIC SCHEDULED FOR TODAY

There will be a Blood Donor's Clinic held in the Didsbury High School Auditorium today (Thursday) from 1:30 to 4:30 p.m. People are being blood all over the world at this time — let us let ours here — in a more life-saving cause. Need we say more!

Midway News

(From Our Own Correspondent)

The Bancroft W.I. Nov. meeting was held at the home of Mrs. A. McCulloch, with 13 members and one visitor present. Election of officers resulted as follows: president, Mrs. A. McCulloch; vice-president, Mrs. Gehring; secretary, Mrs. H. Pross; treasurer, Mrs. J. McCulloch. It was decided to hold a fashion show and auction sale on the evening of December 8.

Mrs. Roy Benjamin (Lola Pross) has returned to her parental home. Roy left with the Queen's Own Rifles U.N. police force for duty in Egypt.

The United Church supper, held last Friday, was very well attended. The films "The Little Angel" and "Brotherhood of Man," were shown following the supper.

Mr. and Mrs. Eddie Olhausen, Mr. and Mrs. Arnold McCulloch, accompanied by Mr. and Mrs. Howard Krebs, spent last weekend in Great Falls, Montana.

Mr. and Mrs. Bob Fisher visited at Sundre on Sunday.

Mr. and Mrs. Henry Olhausen of Calgary were recent visitors at the farm and attended the church supper.

SWITCH MADE IN ANTELOPE HUNTING AREA

A new order published this week changes the area in Alberta where antelope may be hunted. The order states that hunting of these animals will be permitted from Nov. 23 to Nov. 30, to that part of the province situated south of the Bow and South Saskatchewan rivers. More details may be obtained by contacting any game warden.

WEST NOTES

(From Our Own Correspondent)

The Elktion Willing Workers met at the home of Mrs. J. Bagshaw on Wednesday of last week, with order the members and three visitors present. Some made flowers and others cut holders for a quilt. It was decided to follow the same plan as last year for the children's Christmas treats and to hold a social evening in the school on Nov. 30, with films. Pe and ice cream will be sold. The next meeting will be a social at the home of Mrs. M. Campbell, with a gift exchange and each member is asked to donate one dozen eggs to be sent to the Junior Red Cross hospital.

Mr. and Mrs. Jack Bagshaw and Mr. and Mrs. Arnold Hogg were Calgary visitors last Thursday.

Mrs. Cowitz R. spent the weekend in Calgary with her son, Alvin. Mr. and Mrs. A. L. Hogg spent Friday evening with Mr. and Mrs. J. Bagshaw.

Home & School Group Witness Interesting Play

The regular meeting of the Didsbury Home and School Association was held in the school auditorium Monday evening, with a large turnout of members and visitors. It is hoped that the attendance at future meetings will be even larger.

Following the business portion of the meeting a play was presented, entitled "Scattering Showers." The three ladies, who each depicted a different type of mother, were Mrs. White, Mrs. Art St. Clair and Mrs. Wm. St. Clair. They are to be congratulated for a splendid job well done.

There will be no meeting in December; the next gathering of the association will be on January 17.

C.P.R. TRAIN SCHEDULE

Southbound:
No. 522 Lv. 5:00 a.m. Daily
No. 524 Lv. 1:16 a.m. Daily
No. 528 Lv. 4:57 p.m. Daily

Northbound:
No. 521 Lv. 12:27 a.m. Daily (flag)
No. 527 Lv. 9:31 a.m. Daily
No. 529 Lv. 2:30 p.m. Daily
No. 525 Lv. 7:25 p.m. Daily

Mr. and Mrs. Elah Shantz of Didsbury celebrated their 50th wedding anniversary on Wednesday, November 14. They were at home to their many friends at an open house from 4 to 8 p.m.

Both Mr. and Mrs. Shantz are enjoying good health at the age of 78 and 75 respectively. Mr. Shantz is a native of Ontario, spending his childhood near Kitchener. He went to Manitoba in 1897 and to the Didsbury district in March of 1899, taking up a homestead five miles west of town.

In 1915 he traded his holdings for another half-section of land, which has been in the family to the present day, being presently operated by the youngest son, Roy.

On November 14, 1906, Mr. Shantz and the former Martha Emily Shantz, of Lonshead, Ont., were married at a ceremony held in the house of the Old Godfrey Carlson place, now the home of James Smallwood.

They have two boys and two girls. Mrs. Wilfred Taylor of Banff and Mrs. L. Torneron of Cochrane; Rev. Ray Shantz and Roy Shantz of Didsbury. One other daughter died some years ago.

Both Mr. and Mrs. Shantz are charter members of the United Missionary Church, and their son, Ray, is pastor of the local church.

Chitter-Chatter

By Our High School Scribbler

A visit by the School Relations Officer of the Royal Canadian Mounted Police provided a very interesting respite from studies on Thursday morning of last week for D.H.S. students.

LT-Comdr. Pettit, from Esquimalt, gave a talk on some of the ships of the R.C.N. He also gave both boys and girls an idea of what type of career they could have with the navy. Although a grade ten standard is the average requirement for most navy positions, the students were invited to finish high school. As in all positions, there is a much better chance for promotion for those who have higher education.

By the sound of the conversations afterwards, a number of students are thinking quite seriously of a navy career. So, ahoy mates — we'll bring you more D.H.S. news next week.

New Year Starts For West Didsbury Beef Club

The reorganization meeting of the West Didsbury 4H Beef Club was held on November 16 at Rugby hall. New officers for the year are: president, L. Larry Dunphy; vice-president, Ronald Levagood; secretary-treasurer, Delbert Larson; club leader, Mr. J. Hughes.

Jay Tugale presented Larry Dunphy with a nice hat for contributing the most to the club during the past year of operation. Mr. H. Hughes, district agricultural agent, showed a few slides of the calf club sales at Carstairs.

Next meeting will be held at the home of Mr. Delbert Levagood on December 6.

ANNUAL OPEN HOUSE TO BE HELD AT BIBLE COLLEGE

On Friday, November 30, Mountain View Bible College will again open its doors to the public from 8 to 10 p.m. This has become an annual event and many people from the surrounding community visit the school, are guided through it by the students, and enjoy the lunch and program that is always provided. This year will be no exception, for preparations are already being made for your enjoyment.

Everyone is invited. Remember the date, Friday, November 30th.

Harmattan News

(From Our Own Correspondent)

The Harmattan Home and School meeting was held at the school on Monday, Nov. 10. It was decided to hold the next meeting a week earlier, on Monday, Dec. 10, because of Christmas week. Mrs. Kolstad asked members to give any ideas of entertainment for future meetings. It was thought that a health topic and films might be in order for the next meeting.

A count of members was taken and Mrs. Smith's room won the pennant for this month. Mr. Chris Marlett of Saynot, the program will not necessarily be run in the above order, but there's no doubt that anyone who pays admission at the door on Friday evenings will get much more than what they paid for, in the way of entertainment.

We might mention that all proceeds from the assistance will go towards the Community Rest Room project.

MR. AND MRS. ELAH SHANTZ ... CELEBRATE 50th ANNIVERSARY

Subscription Note:

Please pay out of town subscriptions by money order.
A red line under your name means your subscription is overdue.
A blue line means your subscription is coming due next month.

Westcott News

(From Our Own Correspondent)

Mr. and Mrs. Otto Folkmann entertained at a turkey dinner on Sunday in honor of two birthdays in the family, that of Mr. Otto Folkmann and son Kenneth, also in honor of their daughter-in-law, Mrs. Ken Folkmann and Miss Ellen Hunt, who on Sunday became communicant members of the Lutheran church. Among those present to celebrate the occasion were Mrs. M. Jacobsen and Mr. Niel Folkmann of Calgary and Mrs. J. Jacobsen and Mr. and Mrs. Herbert Goettjen.

Mrs. J. Robertson was a Calgary visitor last week.

Mrs. Herbert Goettjen visited last Thursday with her sister, Mrs. L. Banting.

Miss Dorothy McDonald, who attends university at Calgary, was home for the weekend.

Films will be shown at Westcott school Saturday, Nov. 24, commencing at 8 p.m.

Curtain Lifts On Variety Show At 8:30 p.m. Friday

Organizers of the Lions Club local talent variety concert, scheduled to hit the stage at 8:30 p.m. on Friday night in the high school auditorium, have the program well under control and participants have been working overtime to ensure a fine evening of entertainment for those who pass the portals.

During the show you will be privileged to view numbers by: Myrna Reimer and Joyce Schumacher, the solo vocal department; Miss Winnie Owens and Mrs. Paul in a piano duet; two quartettes from the Mountain View Bible College; George Thuring, solo; the London girls, dance routines; Mrs. Armstrong and daughter on the piano; the Ray girls as a trio; Bob Johnson will give a recitation and the Krebs family will move in with an instrumental number; the Rothwell girls and Carol Krebs and Audrey Luft will provide piano stylings and Ames Neufeld will be on hand with his guitar.

It is quite possible that we've missed an act or two in the above layout, the program will not necessarily be run in the above order, but there's no doubt that anyone who pays admission at the door on Friday evenings will get much more than what they paid for, in the way of entertainment.

We might mention that all proceeds from the assistance will go towards the Community Rest Room project.

CELEBRATES 80th BIRTHDAY

Mr. A. B. Shantz, who remembers when Didsbury depot buildings consisted of two box cars, will celebrate his 80th birthday on Thursday, Nov. 22. He home-steaded west of Didsbury in 1900, moving to Big Prairie a number of years later, and has resided there ever since. He is still active and does his own farm work.

ZELLA NEWS NOTES

(From Our Own Correspondent)

Mr. John Worthington was a visitor with his mother, Mrs. J. B. Worthington on Wednesday.

Prior to her departure for permanent residence at Vancouver, B.C., Mrs. J. B. Worthington is visiting for a few weeks at the home of Mr. and Mrs. W. Davies.

On Wednesday evening several men met at the centre and constructed four long tables, while the women busied themselves with painting and cleaning.

Mr. and Mrs. John Hansen and Mrs. Jim Johnston were Calgary visitors Friday.

You are again reminded of the W.I. program to be held at Zella on Friday, Nov. 23 at 8:30 p.m., featuring a fish pond for youngsters.

There will be a raffie of a hamper of groceries a cushion and a box of home-made candy.

Mrs. E. Walldorf and Mrs. A. Walldorf will be hostesses for a military whist party to be held at the Centre, Friday, Dec. Everyone welcome.

SPRINGSIDE NOTES

(From Our Own Correspondent)

A whist drive was held at the Springside Community Centre, starting off the fall and winter fun. Mrs. May Young was a recent visitor for a few days at the home of Mr. and Mrs. Hugh Morton.

The next meeting of the ladies' group will be held at the home of Mrs. Verne Wrigglesworth. There will be a gift exchange and husbands are also invited to attend. The meeting will be held on Dec. 6 and a whist drive will be held on Nov. 30 at the community centre.

South West Didsbury

(From Our Own Correspondent)

Mr. H. W. Folkmann was an Edmonton visitor on Wednesday of last week, where he attended a meeting of the directors of the Lutheran church.

Mr. and Mrs. Clifford Murphy and family were Sunday dinner guests of Mr. and Mrs. Lynn Hunsperger and family.

Mrs. George Meyer and George were Sunday supper guests of Mr. and Mrs. E. A. Bartz and Arlene.

Sunday afternoon the following attended lectures in Calgary at the Mt. Calvary Lutheran Church: Mr. and Mrs. H. W. Folkmann and family, Mr. and Mrs. Louis Hildebrandt, Mr. Fred Befus, Mr. Delbert Levagood and Miss Florence Arman, and Mr. and Mrs. J. Reese.

THIS FELLA COULDN'T LOSE, NOT ACCORDING TO THE STORY

In a small mid-western town in the U.S. there's a man named Ed, who always takes the optimistic view. Comes tornado, flood or fire, he spits tobacco juice and says, "Well, it couldn't have been worse."

One day two town loafers, coiled up a gruesome story about a certain farmer and one bet the other that the optimist could find no ray of sunshine in it.

The fella who figured he could make Ed fall into line said: "Ed, Wiley came home and found his hired man tryin' to make love to his wife. He went berserk, shot the hired man, shot his wife and set the house afire. The fire got out of control, burned his barn and chicken house and set fire to his crops. The poor devil finally shot himself."

"Pff. Could have been worse," said Ed.

"How?" asked the questioner.

"Could have happened day before yesterday."

"Why would it have been worse then?"

"Could have been me got shot — instead of the hired man."

Did You Know?

A Toronto official reported Wednesday the Canadian Red Cross has \$50,000 to spend on clothing for Hungarian relief but it can't find clothes to buy.

"There's a shortage of supplies — Christmas and Canadian trade has taken up stocks," said another official. "We've managed to buy blankets in Toronto but we're searching the country for suitable warm clothing."

BLAME SMOKE FOR COLLISION

Smoke from the Carstairs dump which drifted across a side road Tuesday afternoon, cutting visibility to zero, was blamed for a car-truck collision.

Although the truck rolled in the ditch the driver, Claude Hays, of Carstairs, wasn't injured.

R.C.M.P. say the car driver, Mrs. Russell Pollock of Carstairs, was taken to Didsbury hospital, suffering cuts and broken ribs.

Cremona News ...

Trucker Killed On Cremona Hill

A fatal accident occurred on the Dogpound hill, east of Phil Poat's on Saturday, Nov. 17. Coming down the hill in the storm, Robert Hyde of Oids and Edmonton, his truck, loaded with pipe, failed to make the curve and plunged through the bridge to the water below. The load broke loose in the tumble and crashed through the cab of the truck, killing the driver.

This is the same hill that a member of a seismograph crew went over last year, the only difference being the latter lived to tell about it.

Del Henderson, victim of last week's accident, has been moved to the Belcher hospital in Calgary. Reports have it that she is improving.

Mrs. Marion Reid was surprised last Thursday evening, Nov. 15, by her family, the occasion being her birthday. Mrs. Reid was 60 years old, she rated two birthday cakes.

June Blain has returned to junior high school after a lengthy illness. Shirley Roberts spent last week in Didsbury hospital with infection in her hand.

The Credit Union examiners completed their yearly audit of the Credit Union books last week and stayed for the regular monthly meeting. A rating of the local group will be made public shortly.

A credit union vote of thanks was made to the officers and their wives by a banquet held on Nov. 13.

Mrs. E. Smith was hostess to the Sewing Circle ladies on Wednesday, Nov. 14, at her home.

Mrs. Hilda Parker and Mr. C. Jordan were united in marriage on Sunday, Nov. 18 at a quiet ceremony in Carstairs.

Zella W.I. Group Make Donations

Ten members were present for the Zella W.I. meeting held at the home of Mrs. E. Walldorf on Thursday afternoon, Nov. 13. A \$25 donation is to be made to the Didsbury rest room project. Four card tables will be purchased for use at the centre. A total of \$115.50 was collected by the W.I. for the Cancer Society.

Through courtesy of Mr. Wiggins, a photo of the E. Brower 50th anniversary will be placed in the community centre. Mrs. A. Walldorf has been appointed librarian for the centre.

For the "bit of fun, Mrs. J. Bausat asked members to make their will, using what, to whom and where, with some queer results. Mr. H. Christensen won the hostess prize having the oldest penny in her purse.

Members are asked to note the date of the next meeting, Thursday, Dec. 13, at the Community Centre, when roll call is an exchange of Christmas gifts and a contest of bran muffins, tarts and fancy yeast breads will be held.

TODAY'S CHUCKLE ...

"Your age, please?" asked the census taker.

"Well," said the woman, "let me figure it out. I was 18 when I married and my husband was 30. He is now 60, or twice as old as he was then, so I am now 36."

YOU HAVEN'T HEARD YET ... BUT WE'RE ON THE INSIDE ... WE KNOW !!

Didsbury merchants are planning another of their fall shopping jamborees early in December. They haven't given out the details yet but we do know there will be plenty of bargains and the usual fine array of prizes to the lucky ticket holders.

We'll keep peekin' and give you more news on the big deal in future issues.

The Dickens
you say...

Maybe Charles Dickens was gazing into a crystal — or aluminium — ball when he made this prediction a century ago about a strange new metal called aluminium. He wrote:

"What do you think of metal as white as silver, as unalloyable as gold, as easily melted as copper, as tough as iron? ... In proportion as the cheap production of aluminium becomes more and more an established fact, the more we shall find it entering into household uses — for travelling purposes, for instance, for which its lightness is no small merit."

Very good, Charles — especially that bit about cheap production. That day has arrived as Alcan's vast production and world sales prove.

You may wish to write for information. At the bottom of this column is a handy coupon which you can clip and mail to the address shown and list off information you would like from any one of the Government Departments. If there is any information I can help you with, I will write a simple postcard or enclose a letter WITH YOUR COUPON and ask me for the information you want. You may also have an anecdote or story of interest about your community which we will try to publish in this column when space permits. So let's hear from you. And do tell us what you think!

PROVINCIAL GRANTS to municipalities under the Municipal Assistance Act have been increased since 1951-52 by more than \$5,000,000. Grants to municipalities in the province for the 1956-57 fiscal year total \$9,900,000.

The following list shows you the steady increase in municipal grants:

1951-52	\$4,446,029
1952-53	5,991,181
1953-54	7,385,100
1954-55	8,334,676
1955-56	9,018,208
1956-57	9,900,000

There are no restrictions on these grants. Many municipalities report that grants are spent on SEWAGE AND WATER SYSTEMS. In many cases municipalities have found that the grant is more than enough for present needs. The Government of Alberta puts no restricting clause on how this surplus is spent. The grant is made to the municipality and it is left to your municipal authorities and you who elect those authorities as to how this money is spent to the best advantage. It is in your own interest to inquire about such things and see that this money is spent wisely.

FIVE CENTS OF EVERY GALLON of fuel oil sold to the general consumer goes to the people of Alberta in the form of Municipal Grants. In other words your Municipal Grant is made up of 50% of the 10 cent tax you pay on fuel oil.

PUBLIC WELFARE sounds like a high-falootin' phrase. Nevertheless it's something that we are all interested in. The Public Welfare Department deals with such vital things as pensions, allowances and other welfare assistance to Albertans.

There is a very smart booklet entitled "Public Welfare Services" which is free on request and which describes the eight different branches of the Department. It outlines the qualifications you need for Federal Old Age Security, Provincial Old Age Assistance, Blind Pensions, Allowances, Supplementary Allowances, Widows' Pensions, Disabled Persons' Pensions.

Pensions and Allowances and also explains Hospital and Treatment Services and the Means Test.

I know you'll find this booklet interesting. You can get it by mailing the coupon below, attaching a little note saying you would like this twenty-page booklet.

Samuel Clemens (better known as Mark Twain), once said "Everyone talks about the weather but nobody does anything about it." I'm going to break that rule and ask YOU to do something about it. Driving on highways and in cities can be a hazardous venture if safety isn't at all times preserved. Much effort and time is being spent to improve driving conditions and enforce safety regulations. But your co-operation is needed. With winter well on its way, roads, due to weather conditions, can be in precarious driving condition. Ice and drifting snow make driving dangerous. Please practice caution at all times.

SPEAKING OF DRIVING, I spent last weekend at the internationally famous scenic spot-Banff. Driving along the highway from Calgary to Banff I noticed that great strides are being made to keep this highway in top condition. Meanwhile, construction is proceeding on the new Calgary-Banff road which will become an important part of our Trans-Canada Highway system.

MOUNT EISENHOWER, NEAR BANFF HOW LUCKY we are living here in Alberta! To the West of us is beauty unequalled anywhere — top holiday and tourist attraction, in the North and in the South are prosperous resources that make Alberta a unique province. To illustrate just what this means, compare the National Canadian Wage Rate of \$4.64 PER WEEK to our own wage rate which is \$2.33 HIGHER at \$6.97. Indeed this is something in which we can all take pride. Truly — OUR future IS here in ALBERTA. Be seeing you soon!

How Big Is The Surplus ???

The present large stocks of wheat are a serious impediment to the ready marketing of new production. They are regarded gloomily by governments, farmers and business people in the exporting countries. The Canadian Bank of Commerce recently termed the wheat carryover as "astronomical."

There is no doubt that under our pattern of trade and distribution the situation is serious but the volume is inclined to impress us beyond its real proportions. We see the 1½ billion bushel world carryover as almost the equivalent to the entire normal ex-

port figure for a 1½ year period.

We overlook the fact that the world population is almost astronomical. There are over 2½ billion people and in terms of food reserves we have only 36 pounds of wheat per person. In the United States, where flour consumption is moderate, 190 pounds of wheat a year per person is consumed.

For much of the world population wheat is unobtainable but the annual consumption is in the neighborhood of six billion bushels. A 1½ billion surplus is the equivalent to a three-month supply for this wheat-

TRUE OR FALSE?

A woman complains about having nothing to wear and then takes two hours to put it on.

eating section.

Awkward as wheat carry-overs may be to world trade, a 90-day reserve supply of such an important food commodity does not seem unreasonable. Few livestock men would care to operate on a narrower margin of basic feed reserves.

The human race should be able to design an economy that would permit it to carry some assurance against emergency food depletion without causing a marketing breakdown and penalizing the producer.

MAY INCREASE PENSION RATE

A plan to increase old age pensions by \$20 a month is under consideration by federal and provincial governments, Health Minister Eric Martin of British Columbia said recently. Mr. Martin said the proposal was advanced by B.C. at the recent Dominion-provincial welfare conference in Ottawa and received favorable reaction from federal health minister, Paul Martin and other representatives of other provinces.

The plan calls for abolition of the federal Old Age Assistance Act and regulations. The provinces would set their own eligibility tests and pension rates, with Ottawa paying 50 per cent.

"This means we could raise the pension rates to \$80 per month," said Mr. Martin.

CHRISTIAN SCIENCE

The inability of evil to withstand spiritual understanding of the Christ, Truth, will be brought out at Christian Science services Sunday. Scriptural selections in the Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism" Denounced" will include the following (Philippians 2:5,13): "Let this mind be in you, which was also in Christ Jesus ... For it is God which worketh in you both to will and to do of his good pleasure."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (28:27): "The five material senses testify to truth and error as united in a mind both good and evil. Their false evidence will finally yield to Truth — to the recognition of the spiritual creation." The Golden Text is from III John (1:11): "Beloved, follow not that which is evil, but that which is good."

Extra-rugged construction for tough jobs, choice of 19 wheelbases

Now you can have V-8 power in every Fargo model... Chrysler-engineered high-compression engines that give you top performance... extra power on regular gas. Or, you may choose Fargo's famous rugged L-head 6-cylinder engine. With either you get these big Fargo pluses—

Smart new Forward Look styling... new cab comfort with increased visibility... greater safety with constant-speed electric windshield wipers... new, bigger payload capacities... and dozens of rugged, additional features make these new Fargo trucks your best choice. Look over the new, complete Fargo line. You'll agree, these are the finest-performing Fargo trucks ever built.

Chrysler Corporation of Canada, Limited

V-8 or 6 power

Big, powerful V-8 high-compression engines for every Fargo model. Advanced dome-shaped design of combustion chambers helps prevent power-robbing carbon deposits. Fuel burns more completely... you get full power on regular gas. Improved design 6's also available.

New payload capacities

Popular Fargo Express models haul heavier cargoes, because of balanced weight distribution. Fargo models range from 5,000 to 48,000 lbs. G.V.W., up to 65,000 lbs. G.C.W. Choose yours now.

New cab comfort

Long or short hauls are easier, more comfortable in a Fargo truck. Even the seat-back adjusts to the most comfortable driving angle. Cool, long-wearing upholstery combines

beauty with duty. Full wrap-around windshield and new full-width wrap-around rear window (optional) provide control-tower visibility.

Push-button driving

Proved-in-use push-button automatic transmission makes driving easier than ever. Available on 4-ton models; you just push a button and the shifting is automatic. Mechanically foolproof and trouble-free, only Chrysler-built trucks have it. Enjoy it now.

FARGO TRUCKS built to fit your job ➤

Exclusive alligator hood opens to full 90°!

Choice of Power-Dome V-8 or famous L-Head 6 power!

Ruggedly designed for severest operating conditions!

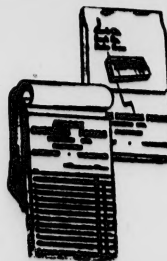

Fargo C.O.E. models take longer trailers, bigger payload!

Ramblin' and Roamin'

This Week... From This Corner—

At a special meeting of the M.D. of Mountain View on a cool evening last week, councillors and members of the local hail suppression association, decided on Monday, December 17th, as the date a plebiscite will be held, within a stated area, to decide whether or not ratepayers wish to support the plan through increased taxes. This same idea was turned down by the voters last year but, through private contributions the project was put into effect; results were very profitable and gratifying. This time, should the vote be in the affirmative, a larger acreage will be within the target area. Details as to cost and the section to be covered will be given to you as soon as the information crosses our desk.

This Week... From This Corner—

The curtain goes up at 8:30 p.m. on Friday night for that big Variety Concert we've been telling you about. Organizers will have a tough time matching the show they put on last time around, but they say it will be just as good, maybe better. It's all local talent that will hit the stage, and don't think for one moment that there isn't plenty of that commodity in our own balliwick.

This Week... From This Corner—

It's getting powerful close to that time again... the Christmas season is crawling up on us and we feel merchants, with an assist from home-owners, should do a much better job in the light-up department than they have done in the past few years. Towns, north and south of us, really let people know what season it is while we sit back in the dark. Let's not make it a competition, to see which town is the best, but then again let us not look like a ghost town — let's light up, let's get in the spirit of things — a little effort could bring light to the hearts of everyone who lives in or visits our town.

This Week... From This Corner—

Now we know what our working address really is, or we think we do. Two young girls selling door numbers enlightened us on the subject this week. For the very modest fee of 50c, they sold us our four distinguishing numbers — 2029 — and informed us we operate from 19th Ave. News to us! But then, Guides, Brownies, Scouts and Cubs have taken on the chore of distributing these numbers; meet them with a smile, not a snarl; you can win a lot of friends that way.

This Week... From This Corner—

We like this one, we hope you do... A touring Texan stopped at a Florida roadside market and upon seeing a watermelon, asked "What's the price of this cantaloupe?" The clerk looked at him and then made a check on his licence plate, and witheringly replied: "Take your finger off that olive."

Whose Right, Is There A Profit Or Loss?

In the campaign to have the Crow's Nest Pass Agreement abrogated the argument is persistently used that grain is moved by the railways at a loss under the restrictive rates of the pact. In view of this contention it is a puzzling fact that railway operating statements improve when the volume of grain hauled increases. It is difficult for laymen to believe that an operation is really unprofitable when the more it is engaged in, the better the operator's financial position becomes.

The latest illustration of the coincidence of heavier grain movement and increased railway prosperity lies in a comparison of the years 1955 and 1956. From Jan. 1 to Sept. 30, 1956, 100,000 more cars of grain were hauled than during the same period in 1955. For the whole year the grain movement is expected to be 50 per cent higher than it was in 1955. If grain hauling were really unprofitable, at present rates, it would be natural to expect a decrease in railway profits. The reverse, however, is true. Railway profits for the current year have risen sharply.

The C.P.R. shows an increase in net revenue for the first eight months of over 34 per cent over the net revenue to the end of August was \$17.8 million. During the same period in 1955 it was \$23.7 million. Officials of the railway estimate a gross revenue for all of 1956 at \$415.4 million, 12 per cent higher than in 1955. C.M.R. net earnings are also reported to be up substantially.

The claim of ruin being inflicted on the railways by the Crow's Nest grain rates is just not borne out by the evidence apparent to grain producers. Statisticians and accountants may propound all kinds of arguments that it is a losing proposition to move freight under rates set 60 years ago but their statements will remain subject to grave doubt so long as the railways continue to wind up with more money in their tills whenever the grain haul is heavy.

— The Budget

TREATMENT FOR LICE

Lice rob farmers and ranchers by tormenting cattle and sheep. They fall off in both meat and milk production and sometimes die from the effects. According to W. Lobay, provincial pest control supervisor, fall is the best season for control measures. He recommends two insecticide treatments two weeks apart, applied preferably with a high pressure spray, otherwise with a scrub brush, covering animal completely.

On beef cattle half a pound of 50 per cent wettable lindane powder, or 8 pounds of 50 per cent wettable DDT, in 80 gallons of water can be used.

For dairy or beef cattle to be slaughtered within 30 days, he suggested eight pounds of 50 per cent wettable methoxychlor in 80 gallons of water. Rotenone and pyrethrin sprays are also effective.

All insecticides should be used with care and directions and precautions listed by the manufacturer carefully observed.

Notes From D.A.

By Howard J. Fisher

The terms, planned farming and balanced farming, appear more and more in agricultural news and articles. The meaning is just as it says, planned balanced farming, and the application of it is being used by farmers more and more. The farm economics of today with the amount of necessary capital expenditures, place farming in a high investment business bracket. Any business must have a plan, and a good plan, with adequate records, must be carried out if it is to be successful over a long period of time.

In a farm plan a long range prospective must be taken; no one plan can apply to all farms. Each plan must be suitable to the farm and its operator. When a farm plan is drawn up it should show a field layout, suitable crop rotation, accompanied by a livestock program which will utilize the field production. The buildings and machinery required must be adequate to carry out the operations, but should not be too elaborate, as this will often make capital expenditures too high. The plan would give a picture and sequence of the farming operations, not for only one year, but projected ahead over a period of years.

The farm plan and its operations, when established on paper, can be worked out mathematically to indicate possible revenue and if the indication is satisfactory should be established on the farm. As well as being a profitable program it must conserve soil fertility, control weeds, suit the farm and its operator.

In establishment of your selected program, money and time will be required to make necessary changes. These required changes should be carried out in their proper order as the time and capital becomes available.

A plan can be made for any farm; in doing so the efficiency of many factors must be considered, such as production per acre and per animal unit, choice of enterprise, and its volume, use of labor and capital.

Any farmer interested in analysing or altering his farming program is welcome to call at our office to discuss it and make use of available farming appraisal forms and references.

Squirrel Cage...

THIS IS DIFFERENT...

A tourist was admiring a necklace made by a Texan. "Beautiful," she gasped. "What's it made of?" "Alligator teeth, ma'am," drawled the Texan.

"Oh," said the traveller, "I imagine they have the same value to you that pearls have to me." "Not exactly, ma'am," said the Texan. "You see, anybody can open an oyster."

★

WHICH ??? The battered motorist slowly came to. "Where am I?" he asked. "Take it easy, sir," said the nurse, "you're in 114."

★

HOLD STILL A MINUTE Watching a drunk try without success to unlock the door to his house, a policeman asked if he could hold the key for him.

"No thanks," the man replied. "I can hold the key you hold the house."

★

CROSSED WIRES When Pan American Airways has foreign-born passengers stuck in San Francisco for a few hours between flights, it puts them up at a local inn; so its manager keeps a handbook of foreign phrases in his pocket.

One day he noticed a distinguished Chinese pacing back and forth in the lobby, obviously at a loss. Figuring he might be hungry, the manager peeked into his book and pointed to the only Chinese phrase that came close — a phrase meaning "I am hungry."

★

ATOM FUEL SOURCE Canada is speeding ahead in a world race for unlimited supplies of the earth's most coveted commodity — electric power from atomic sources, says Clifford Fowke in The Financial Post.

In a few years, this country will be the world's biggest producer of what promises to be the cheapest and most abundant atomic power fuel — natural uranium. And meanwhile, her industry — both in construction and engineering — is stealing a march on the rest of the world in putting natural uranium as well as another essential — heavy water — to use for power production.

SOMEONE WILL WORRY !!! One consolation about taking one of those pay-later trips — you know someone will miss you if you don't return.

No Need For Continuous Advertising

Preachers...

Should preach only one sermon or so a year. People are against sin anyway, so why harp on it.

Traffic Lights...

Should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

Teachers...

Do not need to review lessons. Tell the children just once and they'll never forget.

Highway Police...

Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

Out of Towners...

That advertisements in the local paper and mail order firms that send out catalogues are wasting their money. Everyone knows what is sold in the stores in town and they'll all shop at home.

But if you are one of the foolish kind — like the Notre Dame cathedral that has stood for six centuries but still rings the bell every day to let people know it is still there — and believe in continuous, profitable advertising then you will want to advertise in

Women Who Make Alberta

THE NURSE

Even before Florence Nightingale, "The Lady with the Lamp", started the profession of nursing, women have been devoting their lives to the work of relieving human suffering and ministering to the infirm.

Today, in hospitals and homes throughout the country, the Registered Nurse carries on the tradition of this work of mercy.

Her years of training, her skill and gentleness ease the burden of pain. We look to her for help from infancy to the day of our departure from this life — and we do not look in vain.

There is no greater service than that directed towards helping a suffering fellow human... and no group stands higher in service than the nurses of Alberta.

Bushel Measure May Be Abandoned

Abandonment of the bushel as an official measurement for grain and its replacement with the hundredweight has been found to be technically possible under Canada's grain legislation, D. G. MacKenzie, Winnipeg, chief commissioner of the Board of Grain Commissioners, said recently.

Addressing the United Grain Growers' convention in Calgary, Mr. MacKenzie said grain trading organizations have been urging the move in the past few months. The board and the Western Committee on Grain standards have been studying implications of such a switch.

He said thinking will not be finalized on the matter until farm organizations, the Wheat Board and other interested parties have had a chance to study what is involved.

Those seeking the change feel the bushel as a unit of measure is out of date, cumbersome and of no real use in judging the value of grain, said Mr. MacKenzie.

Switching to pounds and hundredweights could cut out no less than 26 conventions from bushels to pounds and from pounds to bushels by grain officials from the country elevator through to the terminals.

The drive to drop the bushel measurement is gaining such force in

PASSING THE TIME...

In Salt Lake City, a night watchman, who found two boys, aged five and seven, after they had spent the night locked in a store, later discovered how they passed the time. They had camped in sleeping bags and tent displays, scattered toys, dined at the candy counter and put a bullet through a chandelier. Interesting evening, no less.

Among her smartest accessories this Christmas, and on through the years — a necklace and earring set of Beautiful Alaska Black Diamonds from STOTT'S JEWELLERY, in Olds.

The United States that American supporters of the move believe the "hundredweight in 1958" is possible. Objections to the move would include the cost of changing forms, documents and office equipment; the problem of converting comparative statistics and historical data and staff and the general public would have to get used to the change.

Mr. MacKenzie said the board is anxious to find out the extent of support for the move at the farm level.

EAST NOTES

(From Our Own Correspondent)

Mrs. Brander Sr. spent several days last week visiting with Mr. and Mrs. Sandy Brander and family.

There will be a card party at the Fred Metz home on Monday, evening, Nov. 26 at 8 p.m. All proceeds in aid of the Didsbury Community Rest Room. Everyone welcome.

Mr. and Mrs. Reuben Tidball and family, Mrs. Jean Wright, Mr. and Mrs. Ed Tidball, all of Carstairs, and Mr. Tom Tidball of Vancouver, were Sunday dinner guests with Mrs. Dowell and Mr. Fred Metz.

Mr. and Mrs. Orville Schneider were Calgary visitors on Monday.

Lone Pine W.I. will hold a dance Nov. 30 in Lone Pine hall. Door prizes will be offered. Dancing will start at 9 p.m. and the Sunnyslope orchestra will be handling the music.

The next meeting of the W.I. will be held at the home of Mr. Fred Metz on Dec. 5th; there will be a Christmas draw and a children's box, with toys.

Mr. and Mrs. P. Schumaker and Joyce, and the former's granddaughter, Darleen, were Tuesday supper guests with Mr. and Mrs. Art Orange and family. Darleen returned to her home at Balzac on Thursday.

Mr. and Mrs. Otto Bittner and Ralph motored to Banff to spend the weekend with their daughter Owen and husband.

Lone Pine Orioles will hold a dance in the hall this Friday, Nov. 23.

Mr. and Mrs. Thomas Marsh spent the weekend at Sundre visiting with relatives and friends.

Mr. and Mrs. Peter Neufeld and sons called on the Schumakers Sunday afternoon and were supper guests.

Midway Home and School Association plan a pie social, quiz show and other entertainment at Midway on Nov. 27, at 8 p.m.

Mr. and Mrs. Herb Ziegler motored to Calgary Sunday, accompanied by Mr. Clarence Cipperley. The latter made train connections there which will take him to Iowa, where he will spend the winter months with his brothers, George and Paul.

Miss Patsy Spragg of Calgary spent the weekend with Mr. and Mrs. Donald Thompson and family.

SHOWER HELD FOR NOVEMBER BRIDE-ELECT

On the evening of November 16, friends and relatives gathered in the Lutheran church basement to honor Marilyn Befus, and her fiancé, Russell Zubick.

The evening was spent in playing games and young and old participated in the contests. The recreational portion ended with groups writing news items for The Didsbury Pioneer, the occasion being Russell and Marilyn's 50th wedding anniversary. These, when read, brought roars of laughter from the group and then were given to the guests to read in 2008. Several ladies then attired the bride in a newspaper wedding gown. The gifts were brought in on an operating table by two "nurses." Marilyn and Russell unwrapped the many useful and beautiful gifts, for which they thanked all.

—Men ... remember that your Christmas gift will be gift-wrapped at STOTT'S JEWELLERY, in Olds.

M.V.B.C. NEWS

(From Our Own Correspondent)

The students enjoyed a skating party on Thursday last week as part of their physical education program. We are hoping the weather will remain so that this can be repeated several times throughout the next few weeks.

The college was delighted to have "Red" Harper as guest last Friday evening for dinner. Edward Oke, chairman of the Youth for Christ program for this district, also invited a number of guests, which included Rev. and Mrs. Bob Simpson and family of Calgary, and the ministers and their wives from this district. Ed is doing a good job in his work with Y.F.C.

The choir is well under way with Mr. Carpenter's careful and efficient instruction, and we can look forward to a good concert in the spring. Mr. Carpenter also has a church choir and is leading the newly organized Didsbury Choral Society. If you haven't joined this latter group, be sure to do so next Monday evening when it meets in the college chapel at 8 p.m.

Two gospel service groups served Caistor and Bergen United Missionary churches last Sunday. This part of college activity means much to the young people and gives them a great deal of experience in church work of every kind.

Miss Ruth Eby, Reg.N., on the staff of the local hospital, and a graduate of the college, has begun organ lessons under the instruction of Mrs. D.M. Taylor.

A goodly number of chickens were donated to the college last week. A number of the ladies came to help get them ready for the deep freeze last Thursday. Of course, some of the students helped, but they haven't much time when classes run until 4 p.m.

Mrs. Suder was guest speaker on Sunday at services in the Nazarene church in Rossburn. Rev. Mary Walsh, former dean of women here, is pastor of the church at present and had accompanied Mrs. Suder on her Palestinian tour a few ago.

Mr. David Archer will be song evangelist during the campaign in the Mountain View United Missionary church, when his father, Rev. Earl Archer, will conduct services. David is a senior this year and also president of the associated student body council.

ELECTION OF OFFICERS AT NEXT MELVIN W.I. MEETING

Melvin W.I. met at the home of Mrs. Glen Roberts on November 14 with 13 members and one visitor present. Roll call was answered with amusing sayings of children.

Mrs. Ross Youngs read a very interesting paper on Mrs. David Crowchild of Sarcee; Mrs. Vance Shields read the motto.

No one means of raising money was agreed upon. Mrs. Emil Krebs raffled a turkey, which was won by Mrs. Chandler.

Tariffs were judged, with Mrs. Vance Shields being the winner.

Next meeting will be held at the home of Mrs. Lloyd Fischer, when election of officers will be held and secret sisters will be drawn for. The meeting will be held on Wednesday, Dec. 12, at 2 p.m., when roll call will be an article of clothing for overseas.

Mrs. Albert Schumaker and sons and
Mr. and Mrs. J. Schneidmiller and
Carol.

Congratulations are extended to
Mr. and Mrs. Chris Randers on the
birth of a daughter.

LIGHT YOUR WAY WITH BIBLE STUDY

A sick man, at the end of a mis-
sionary life, asked a Christian minis-
ter: "Do you think that a deathbed
repentance does away with a whole
life of sin?"

"No," answered the minister, "but
Calvary does."

The death of Jesus Christ does
away with every sin — the sins of
youth and of our old age. "The
blood of Jesus Christ, His son,
cleanseth us from all sin," says St.
John.

It's not a question of being late or
being early, of being more guilty or
less guilty, of being old or young.
It is merely a question of accepting
now the abundant pardon which is
ours through the limitless love of the
Son of God.

The thief on the cross was late —
very late — but not too late. If you
have not yet made your peace with
God through faith in Jesus Christ,
"now is the accepted time; now is
the time of salvation."

This coming Sunday the Christian
Church observe the last Sunday in
Trinity, and thus the end of the
Christian Church year. It is proper
that at such a time, we think of also
our last days on earth. God alone
knows when He will call us from
this world. It can be soon — or it
can be in the distant future. But this
matter is urgent. — It is not too late
— nor too early — to accept the for-
giveness God offers us in Jesus, our
Savior.

To Mr. and Mrs. Don Wood
of Didsbury, on November 15, a
daughter.

CARD OF THANKS

I would like to thank relatives,
friends and neighbors, for their kin-
dness in the loss of our husband and
father, Edwin Jackson.

MRS. JACKSON and FAMILY 11c

BETTER YEAR ???

One hundred and forty-three Can-
adian business leaders predict that:
Canada will produce more in 1957
than it did this year, enjoy higher
employment and higher corporate
earnings.

However, prices will be higher.
These opinions are the result of a
survey by University of Western Ont-
ario's School of Business Adminis-
tration.

There's Still Time . . .
